

Wine Club Application Form

We invite you to join the Woody Nook Wine Club and receive the following privileges:

- Membership is free.
- Four times in a 12 month period (the first week of December, March, June & September) members will receive a shipment of wine from Woody Nook to the value of \$90 (incl. freight) or less. No more than \$90 will be charged to your credit card each time.
- Obligation extends to a minimum of one shipment only. Membership can be cancelled with no penalties any time after the first shipment is received. 28 days notice is required.
- You will receive 10% discount from the date your membership application is received by the winery on all wine purchases, excluding special offers.
- You will receive 15% discount on case purchases, excluding special offers.
- You will receive notification of new releases and special offers before other customers whenever possible.

We hope the anticipation of each shipment's contents will be considered a fun part of belonging to the Club. The selections will be ours, but, for example, you could expect to receive two bottles of red wine in one shipment, three bottles of white in the next; our three 'folkloric' series wines in another and so on. In all probability the Christmas time package will include a bottle of Nooky Delight. Our intention is for you to have the opportunity to enjoy most of our range over a twelve month period and then, knowing your favourites, be in a better position to take advantage of your membership discount benefits if you choose to make further purchases.

Simply complete the application and hand it over/email/fax or post it to the address below.
